Hi All,

Unrelated to the outreach planned by another team today, my team has been outreaching folks at Westchester Towne center and working with Miki. We focus on folks with mental health needs but can try to engage any person experiencing homelessness to connect them with resources. We've had some recent success in your area and hope to continue making progress.

Miki can update you on who we are outreaching now, it's one person who is a frequent visitor of the Towne Center – I can't provide names in email due to respect for client privacy.

Miki, I'll be in touch with you this week about the newer woman and the couple who have been mentioned in recent emails. I'll also check in with Pastor Weller.

Thanks so much,

Martina

Martina,

It appears that they will not do outreach on Monday. We will keep you posted.
